## Thayendanega MOHAWK TERRITORY, YOUTH CONFERENCE

*Hi Matt,*

*Since I returned all I've heard is how great you were; from not only the youth but also our staff and volunteers that helped out. I've had youth approach me and tell me.... Everybody loved how you had humour added in. Once again I'm sorry we never got the chance to meet but hopefully you'll be able to come back and present again in the future. Take care and keep up the good work.*

Hey Matt -

I am glad that you brought your talents to our community in 2006 - everyone was truly enthralled. I hope that we have opportunity to see you again. Happy New Year and keep us posted if you have any major workshops that we might fit into our curriculum. Take care and best of health and happiness...

## HIAWATHA FIRST NATION

Good Morning Matt,

Just wanted to say thank you again for the presentation last night. ....those who did attend raved about you and the parents that attended were really impressed.

Merry Christmas and Thanks Again,
